Inclusion and Diversity

Bass Coast Specialist School strives to provide a safe, inclusive and supportive school environment that values the human rights of all students and staff.

All students enrolled at Bass Coast Specialist School are deemed to have an intellectual disability.

Bass Coast Specialist School is proudly a School-Wide Positive Behavior Support (SWPBS) and a Respectful Relationships (RR) School. These two disciplines are foundations for our communication and interpersonal relationships with the students, families, and friends of Bass Coast Specialist School.

Our School Vision is to educate our students to Communicate, Be Kind, Be Safe and be Life-Long Learners. This vision is reinforced by our values of Belonging, Community, Success, Respect and Relationships. These are the keystones of life and experience at Bass Coast Specialist School. Our aim is for our students to become independent and active members of the broader community upon entering adult life post-school. Bass Coast Specialist School is committed to creating a school community where all members of our school community are welcomed, accepted and treated equitably and with respect regardless of their backgrounds or personal attributes such as race, language, religious beliefs, gender identity, disability or sexual orientation so that they can participate, achieve and thrive at school.

Bass Coast Specialist School acknowledges and celebrates the diversity of backgrounds and experiences in our school community and we will not tolerate behaviours, language or practices that label, stereotype or demean others. At Bass Coast Specialist School, we value the human rights of every student and we take our obligations under anti-discrimination laws and the Charter of Human Rights and Responsibilities seriously.

Bass Coast Specialist School will:

- Actively nurture and promote a culture where everyone is treated with respect and dignity
- ensure that students are not discriminated against (directly or indirectly) and where necessary, are reasonably accommodated to participate in their education and school activities (eg schools sports, concerts) on the same basis as their peers
- acknowledge and respond to the diverse needs, identities and strengths of all students
- encourage empathy and fairness towards others
- challenge stereotypes that promote prejudicial and biased behaviours and practices
- contribute to positive learning, engagement and wellbeing outcomes for students
- respond to complaints and allegations appropriately and ensure that students are not victimised.

Bullying, unlawful discrimination, harassment, vilification and other forms of inappropriate behaviour targeting individuals or groups because of their personal attributes will not be tolerated at Bass Coast Specialist School. We will take appropriate measures, consistent with our Student Wellbeing and Engagement and Bullying policies to respond to students who demonstrate these behaviours at our school.

Students who may have experienced or witnessed this type of behaviour are encouraged to speak up and to let their teachers, parents or carers know about those behaviours to ensure that inappropriate behaviour can be addressed.

Reasonable adjustments for students with disabilities

Bass Coast Specialist School also understands that it has a legal obligation to make reasonable adjustments to accommodate students with disabilities. A reasonable adjustment is a measure or action taken to assist students with disabilities to participate in their education on the same basis as their peers. Reasonable adjustments will be made for students with disabilities in consultation with the student, their parents or carers, their teachers and if appropriate, their treating practitioners. Our school consults through Student Support Group processes and in other less formal ways. For more information about support available for students with disabilities, and communicating with us in

relation to a student’s disability, please refer to our school’s Student Wellbeing and Engagement policy or contact the principal team for further information.
