

## Local Excursion Consent Form 2022

In 2022, Bass Coast Specialist School may take students outside of school grounds to undertake educational activities in the local area.

**The purpose of this form is to obtain parent/carer consent for local excursions during 2022.**

This form does NOT provide consent for excursions that go beyond the local area.

### Local excursions

Local excursions are excursions to locations within walking distance of the school and do not involve 'Adventure Activities'. Please note that due to the mobility issues of some of our students the option may be taken to transport by school bus to local destinations.

### Notification of local excursions

Bass Coast Specialist School will NOT seek further consent from you before local excursions take place. However, we will provide advance notice to parents/carers of upcoming local excursions through the school newsletter, class notes, compass, and seesaw. For local excursions that occur on a recurring basis, Bass Coast Specialist School will notify parents/carers once only prior to the commencement of the recurring event, eg; weekly sports lessons at the local oval.

Please keep the school informed of any updated contact details to ensure you receive these notifications.

### First aid and Medical Attention

Where necessary, school staff will administer first aid. School staff will also seek emergency medical attention for your child if it is considered reasonably necessary. Any costs associated with student injury rest with parents/carers unless the Department of Education and Training is liable in negligence (liability is not automatic).

### Accident and ambulance cover

The Department of Education and Training does not provide student accident insurance or ambulance cover. Parents may wish to obtain this cover, depending on their health insurance arrangements and any other personal considerations.

PLEASE KEEP THE ABOVE SECTION OF THIS FORM AND RETURN THE FOLLOWING PAGE - CONSENT INFORMATION.
