SCOPE

This policy applies to:

DEFINITIONS

A **mobile phone** is a telephone with access to a cellular (telecommunication) system, with or without a physical connection to a network. For the purpose of this policy, "mobile phone" refers to mobile phones and any digital device that may connect to or have a similar functionality to a mobile phone such as smart watches.

POLICY

Bass Coast Specialist School understands that students may bring a personal mobile phone to school, particularly if they are travelling independently to and from school.

At Bass Coast Specialist School:

- Students who choose to bring mobile phones to school must have them switched off and securely stored during school hours

- Exceptions to this policy may be applied if certain conditions are met (see below for further information)
- When emergencies occur, parents or carers should reach their child by calling the school's office.

Personal mobile phone use

In accordance with the Department's [Mobile Phones — Student Use Policy](#) issued by the Minister for Education, personal mobile phones must not be used at Bass Coast Specialist School during school hours, including lunchtime and recess, unless an exception has been granted.

Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical and responsible manner.

Secure storage

Mobile phones owned by students at Bass Coast Specialist School are considered valuable items and are brought to school at the owner's (student's or parent/carer's) risk. Students are encouraged not to bring a mobile phone to school unless there is a compelling reason to do so. Please note that Bass Coast Specialist School does not have accident insurance for accidental property damage or theft. Students and their parents/carers are encouraged to obtain appropriate insurance for valuable items. Refer to the Bass Coast Specialist School Personal Property Policy.

Where students bring a mobile phone to school, Bass Coast Specialist School will provide secure storage. Secure storage is storage that cannot be readily accessed by those without permission to do so. At Bass Coast Specialist School students are required to store their phones in either a lockable safe or cupboard in their classroom, or alternatively they can store them in the administration office.

Students who use their personal mobile phones inappropriately at Bass Coast Specialist School may be issued with consequences consistent with our school's existing student engagement policies, *student wellbeing and engagement* and SWPBS behavioural matrix. Students will be asked to put the phone away and if required participate in a restorative conversation.
