POLICY

1. School profile

Bass Coast Specialist School is a purpose built facility that is situated in the designated educational precinct of the regional town of Wonthaggi, approximately 140 kilometres from the Melbourne CBD.

Most students travel to our school on designated school buses from across the Bass Coast Shire with some of our students travelling up to 50 kilometres to and from school each day.

The Bass Coast Shire is a regional population growth corridor, and this is reflected in our steady increase in enrolments since our construction in 2009.

Bass Coast Specialist School FTE enrolment is currently 74 students aged between 5 and 18 years, 8 of these students being indigenous.

All students enrolled at Bass Coast Specialist School are deemed to have an intellectual disability.

Bass Coast Specialist School is proudly a School-Wide Positive Behaviour Support (SWPBS) and a Respectful Relationships (RR) School. These two disciplines are foundations for our communication and interpersonal relationships with the students, families, and friends of Bass Coast Specialist School.

Our School Vision is to educate our students to Communicate, Be Kind, Be Safe and be Life-Long Learners. This vision is reinforced by our values of Belonging, Community, Success, Respect and Relationships. These are the keystones of life and experience at Bass Coast Specialist School. Our aim is for our students to become independent and active members of the broader community upon entering adult life post-school.

Three separate Pods, Juniors, Middles and Seniors form the foundation of the organisational structure of our school.

At Bass Coast Specialist School our student population is divided into ten separate and diverse classes; three in Juniors, three in Middles and four in Seniors. Class sizes range from 3 students to 12 with 1 teacher and 1 or 2 support staff allocated to each class. Alongside the classroom structure, there is a specialist Outdoor Horticulture Instructor, a Music Therapist, and an onsite horticulture employability program.

2. School values, philosophy and vision

Bass Coast Specialist School's Statement of Values and School Philosophy is integral to the work that we do and is the foundation of our school community. Students, staff and members of our school community are encouraged to live and demonstrate our core values of respect, integrity and kindness at every opportunity.

Disciplinary measures at our school will be applied fairly and consistently. Students will always be provided with an opportunity to be heard.
