

BASS COAST SS NEWS

BASS COAST SPECIALIST SCHOOL

Dear Parents, Carers and Friends of BCSS,

First of all, I would like to thank you for your support during another lockdown. We are certainly living through uncertain times and sometimes it seems almost impossible to plan events with any certainty.

Unfortunately, we had to cancel the Middle's camp at Blackwood this term. Camps are such a wonderful event in the school calendar, I know the staff and students would be quite disappointed with this. In the last week of this term the Senior Camp is planned to take place. We really hope this can run.

We have had to also cancel this Friday's Pupil Free Day due to the lockdown and restrictions on movement across the state. We have been working together on improving our school further over the next few years, unfortunately the presenters and facilitators that were to be working with us on the day come from the metropolitan area. We hope to reschedule this day for some time in fourth term.

In the meantime, as the lockdown continues, please know that we are here to assist you in any way we can. We understand that being at home for extended periods, days and weeks, can be challenging. We encourage you to contact the school if you are experience difficulty and stress in your home during this lockdown. We can organise onsite supervision for your child. We kindly ask you to notify us before 4 pm to enable us to make sure we have adequate staffing rostered on and the buses are notified if they have to pick your child up.

We are all eagerly waiting for the restrictions to ease and hopefully our school will return to normal before the end of the term.

Until next time enjoy the glorious early Spring sunshine.

Take Care

Rob and Caroline

COVID-19
VACCINATION
Safe. Effective. Free.

People with disability and disability workers are eligible to receive the COVID-19 vaccine. Some people with disability are at greater risk of becoming very sick if they catch COVID-19, so getting vaccinated is very important.

BASS COAST SS NEWS

Our goal is to educate our students to communicate, be kind, be safe and be lifelong learners.
